# About

Founded in 2011, the Indian Institute of Management, Kashipur, stands out among India's top business schools, driven by a mission to develop socially aware and internationally skilled leaders. The institute blends academic rigor, industry collaboration, and hands-on learning within a vibrant campus ecosystem. It also places strong focus on fostering innovation, entrepreneurship, and thought leadership through its diverse academic and co-curricular initiatives.

Situated in the heart of Uttarakhand, IIM Kashipur is surrounded by the region's natural and cultural richness. The campus lies in close proximity to renowned attractions such as Jim Corbett National Park, the Kumaon hills, and historic temples, offering students a unique opportunity to explore the heritage and biodiversity of the region. This vibrant setting not only provides a refreshing backdrop to academic life but also encourages students to engage with nature, adventure, and the local culture, making their time at IIM Kashipur a truly immersive experience.

# Courses Offered

## MBA

IIM Kashipur's MBA in Analytics prepares professionals to excel in data-driven decision-making. The program combines managerial expertise with advanced analytical techniques, offering specialized electives and a second-year dissertation project for hands-on industry experience.

IIM Kashipur's revamped MBA core emphasises innovation, challenges conventional thinking, and encourages students to step outside their comfort zones. With a strong focus on entrepreneurship, regional development, sustainability, and flexible Experiential Learning courses, it aims to nurture ethical, adaptive, and well-rounded leaders equipped to drive meaningful change.

## MBA ANALYTICS

## PHD

IIM Kashipur's residential PhD program is designed for professionals passionate about academic excellence and research. It equips scholars to tackle complex management challenges through rigorous research, aiming for high-impact publications in prestigious journals.

IIM Kashipur's Executive MBA is a two-year hybrid program for mid to senior-level professionals, combining online flexibility with on-campus sessions. It focuses on real-world projects and leadership development. For a faster option, the one-year Executive Postgraduate Certificate in General Management offers a streamlined version without electives.

## EXECUTIVE MBA

## EXECUTIVE MBA (ANALYTICS)

IIM Kashipur's two-year EMBA (Analytics) equips professionals with advanced analytics, technology, and management skills. The interdisciplinary program spans 24 months, comprising six terms, and offers over 40 electives, along with hands-on learning through cases, simulations, workshops, and capstone projects.

# Internationalisation

IIM Kashipur reinforces its cooperative relations with its partners to develop the academic and cultural interchanges with these institutions through mutual assistance in the areas of education and research.

The objective of the exchange programme is to build global relationships with various international universities through collaborations and bilateral exchanges.

The bilateral exchange will help in building strong international and collaborative relationships that extend the Institute's mission and complement internationalization strategy with which we can explore mutually beneficial opportunities.

To realize the vision of IIM Kashipur as an internationally recognized institute, it has been establishing collaborations with leading educational institutions worldwide.

The Memorandums of Understanding signed between IIM Kashipur and foreign universities act as a gateway to the institute's internationalization. The relationships built with partner institutions open channels of communication that enable initiatives such as the Long-term Exchange Program, Short-term Exchange Program and Faculty Exchange.

# Exchange Programs

## LONG-TERM STUDENT EXCHANGE (ONE TRIMESTER ABROAD)

Conducted under the flagship Student Exchange Program, talented MBA students are selected to spend a full academic trimester at one of our prestigious global partner institutions.

Exchange students benefit from immersive learning: attending classes, working with international faculty, and experiencing rich cultural immersion ranging from local cuisine to arts and regional excursions.

Timelines: October to December

## SHORT-TERM EXCHANGE PROGRAM (STEP)

STEP offers a compact yet immersive international learning experience typically lasting about 2 weeks.

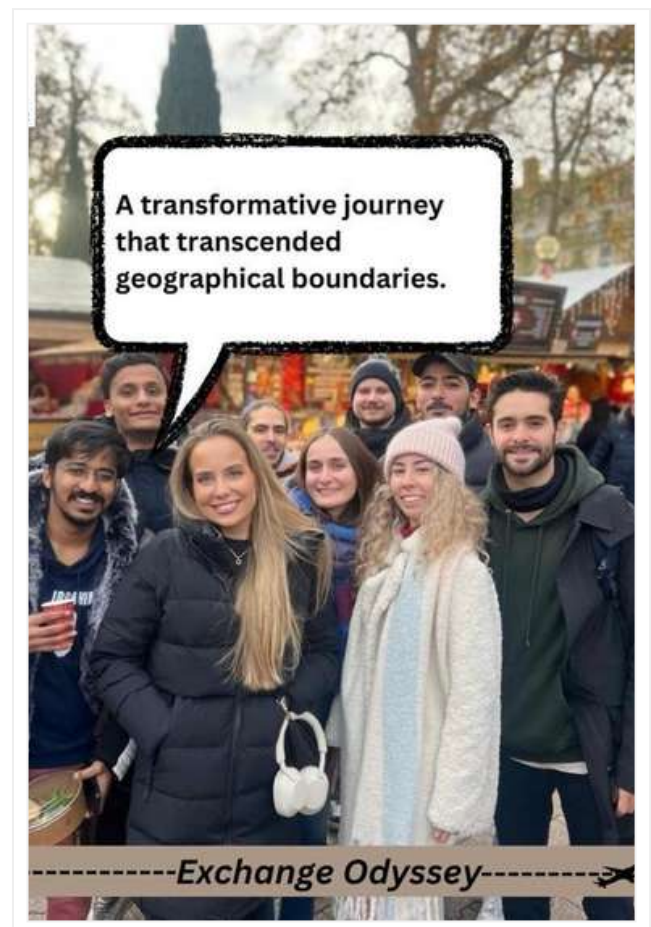

STEP is designed as a high-impact, short-duration program offering academic exposure and cultural immersion in a dynamic setting.

Timelines: April

## FACULTY EXCHANGE & JOINT RESEARCH

The IRC actively supports academic collaboration beyond student exchanges extending to faculty exchange and joint research projects.

These initiatives deepen institutional ties, enrich teaching methodologies, and foster collaborative research that addresses global challenges.

# Centres Of Excellence

IIM Kashipur, a premier management institute in India, has established three innovative Centers of Excellence that serve as hubs for scholarship, education, research, and consultancy. These centers embody a groundbreaking interdisciplinary approach, bridging the gap between academia, government, and industry.

## OUR CENTRES OF EXCELLENCE:

1. Centre of Excellence on Public Policy and Government (CoEPPG)
2. Foundation for Innovation & Entrepreneurship Development (FIED)
3. Design Innovation Centre 'Navaashay'

## CENTRE OF EXCELLENCE ON PUBLIC POLICY AND GOVERNMENT (COEPPG)

The Centres of Excellence in Public Policy and Governance (CoEPPG) addresses critical issues in public policy and governance through a blend of teaching and ongoing research, acting as a bridge between policymakers, government agencies, civil society, industry, and academia.

## FOUNDATION FOR INNOVATION & ENTREPRENEURSHIP DEVELOPMENT (FIED)

The Foundation for Innovation and Entrepreneurship Development (FIED) is an incubation centre fostering innovation and entrepreneurship across various sectors, with a primary focus on Agriculture Technology and Agri-entrepreneurship.

## DESIGN INNOVATION CENTRE 'NAVAASHAY'

Navaashay is a hub for design-led innovation, dedicated to solving challenges for students, government, and organizations through creative solutions.

# Cultural Events

## Agnitraya

Agnitraya - the flagship annual fest of IIM Kashipur, is a 3 day event, celebrated as a grand blend of cultural, sports, and management events. It attracts participation from top institutes across India, hosting competitions like dance, music, fashion shows, literary contests, and sports tournaments. Agnitraya sees participation from over 50 highly-rated institutions in India and sees an over 1,500 enthusiastic footfall of visitors.

## Signature Day

It is a heartfelt farewell tradition where seniors and juniors come together to celebrate their memories and bonds. Juniors prepare personalized messages, notes, and mementos for their seniors, leaving their “signatures” of love and gratitude. The day is filled with nostalgia, laughter, and emotions as seniors reflect on their journey. It marks the culmination of their MBA life and the start of a new chapter beyond campus.

## TEDxIIMKashipur

IIM Kashipur was proud to host its 10<sup>th</sup> edition of TEDx where the theme of ‘Continuum to Change’ was brought to life by 9 distinguished speakers of diverse backgrounds and attracted more than 100 attendees including students, professors and guests . The event embodies the spirit of learning beyond classrooms, fostering curiosity and innovation.

# Tourist Attractions

## Jim Corbett National Park

Jim Corbett, India's first national park, established in 1936, world-famous for its Royal Bengal Tigers. Spread across lush forests, rivers, and grasslands, it is a paradise for wildlife enthusiasts and photographers. Visitors can enjoy jeep safaris spotting elephants, leopards, deer, and over 600 bird species. It's the perfect getaway for adventure, nature, and tranquillity.

## Nainital

Known as the "Lake District of India", Nainital is a picturesque hill station surrounded by mountains. Its centerpiece, Naini Lake, is ideal for boating, with scenic views of snow-capped peaks. Tourists also flock to Naina Devi Temple, Snow View Point, Tiffin Top, and the bustling Mall Road. The cool climate and colonial charm make it a favorite escape from the plains.

## Bhimtal

Bhimtal is a serene town built around a beautiful lake that is quieter, calmer, and less crowded than Nainital. The lake's highlight is an island aquarium, accessible only by boat rides. Surrounded by pine forests and rolling hills, it offers peace, natural beauty, and refreshing scenic walks. Perfect for those seeking a calm, relaxed, and rejuvenating retreat.
