Message from Director

Dear Recruiter,

In an era marked by technological disruption, evolving business models, and rising expectations of responsible leadership, organizations seek professionals who can think critically, adapt quickly, and lead with integrity. At the Indian Institute of Management Kashipur, we are committed to developing such leaders.

Over the years, IIM Kashipur has evolved into a leading management institution that seamlessly integrates academic excellence, industry relevance, innovation, and societal impact. Nestled in the foothills of Uttarakhand, the Institute offers a vibrant learning ecosystem where students are encouraged to challenge conventional thinking, embrace uncertainty, and develop solutions to complex business problems.

Our MBA and MBA (Analytics) programmes are designed to build strong managerial foundations while fostering analytical thinking, data-driven decision-making, entrepreneurial orientation, and a global perspective. A distinctive feature of our pedagogy is its emphasis on experiential learning. Through case-based teaching, live projects, simulations, and internships, students gain practical exposure to contemporary business practices and emerging managerial challenges.

Innovation and entrepreneurship are integral to our institutional vision. Through the various centres such as Foundation for Innovation and Entrepreneurship Development (FIED), Design and Innovation (DIC), we cultivate professionals who can translate ideas into scalable and impactful solutions. Our programmes prepare graduates who are equally adept at navigating strategy, technology, and execution in an increasingly data-driven business environment.

The strength of IIM Kashipur also lies in the diversity of its student community. Students from varied academic disciplines, professional backgrounds, and regions of the country contribute to a collaborative and intellectually stimulating environment. Their achievements in national and international corporate competitions, consulting engagements, research, entrepreneurial ventures, and leadership initiatives reflect their capability, and readiness to create value from the very beginning of their professional careers.

We deeply value the trust and partnership of our recruiters and industry associates. Their continued engagement has played a pivotal role in shaping our academic programmes, enriching student learning, and strengthening the Institute's industry connect. As we commence the placement season, I warmly invite you to engage with our talented students for the Final Placement Process of the MBA and MBA (Analytics) Batch of 2025–2027 and the Summer Internship Process for the Batch of 2026–2028.

I am confident that our students will bring fresh perspectives, strong analytical capabilities, and a commitment to excellence to your organization. We look forward to strengthening our partnership and creating enduring value together.

Warm Regards,
Prof. Neeraj Dwivedi
Director
Indian Institute of Management Kashipur

Message From the Chairperson Placement

Greetings from IIM Kashipur!

We are pleased to invite your esteemed organization to participate in the Final Placement Process for the MBA and MBA (Analytics) graduating Batch of 2025–2027 and the Summer Internship Process for the incoming Batch of 2026–2028.

At IIM Kashipur, we are committed to developing responsible leaders who create meaningful societal impact while contributing to sustainable economic growth in an increasingly interconnected global economy. Our programmes combine academic rigor with experiential learning, industry engagement, and leadership development to prepare graduates who are ready to make an immediate and lasting impact in the workplace.

The MBA programme equips students with a strong foundation in management principles while fostering strategic thinking, problem-solving, leadership, and cross-functional decision-making capabilities. The MBA (Analytics) programme integrates business management with advanced analytical techniques, enabling students to derive actionable insights from data and support evidence-based decision-making across business functions.

Our students come from diverse academic disciplines and professional backgrounds, bringing a rich blend of perspectives and experiences to the classroom. Throughout the programme, they engage in case-based learning, live projects, simulations, internships, and leadership development initiatives that strengthen their analytical ability, business acumen, communication skills, and collaborative mindset. As a result, they are well prepared to address complex business challenges and create value across industries and functional domains.

The unwavering support of our recruiters and corporate partners has played a vital role in strengthening our placement ecosystem. We deeply value these relationships and remain committed to building long-term partnerships.

As we commence the placement season, we cordially invite your organization to engage with our students and explore opportunities for both final placements and summer internships. We are confident that their intellectual curiosity, analytical capabilities, adaptability, and commitment to excellence will enable them to make meaningful contributions to your organization.

We look forward to welcoming your organization to campus and strengthening our partnership in the years ahead.

With warm regards!

- Inbound exchange students
- Cultural & academic immersion

Diversity

- Batch has academic diversity with 31% Engineers, 38% Commerce graduates and 21% Science & Arts graduates.
- Batch has gender diversity with 44% females.
- Comprehensive infrastructure to ensure accessibility for everyone.

Industry Engagements

- Number of Companies invited to Conclaves - 70+
- Number of Companies Invited to Guest Lectures - 40+
- Corporate Visits Organized - 50+
- Live Projects Floated - 60+

CORPORATE COMPETITION ACHIEVEMENTS

2025 - 2026

"Victory is not the most important thing; what matters is to fight well." - Pierre de Coubertin

At IIM Kashipur, we believe in fostering not just academic excellence, but also practical problem-solving skills that thrive in the dynamic business world. Our students consistently demonstrate this by excelling in prestigious corporate case competitions. These victories are testaments to the rigorous training and exceptional talent nurtured within our institute. Our case competition champions are honed through a unique blend of theoretical knowledge and practical application. They learn to dissect complex business problems, analyse vast amounts of data, and develop innovative solutions that impress industry leaders. This journey is fuelled by the guidance of our esteemed faculty and the collaborative spirit that permeates our classrooms. The victories achieved by our students extend far beyond trophies and accolades. They are validations of the transformative learning experience offered at IIM Kashipur. Each win showcases the ability of our students to think critically, act strategically, and communicate effectively under pressure – qualities highly sought-after by top recruiters. This commitment to excellence is reflected in our national ranking. IIM Kashipur secured an impressive Rank 8th in the all India B-School Unstop Rankings, a testament to the consistent success of our students in the corporate competition arena.

CAMPUS HIGHLIGHTS

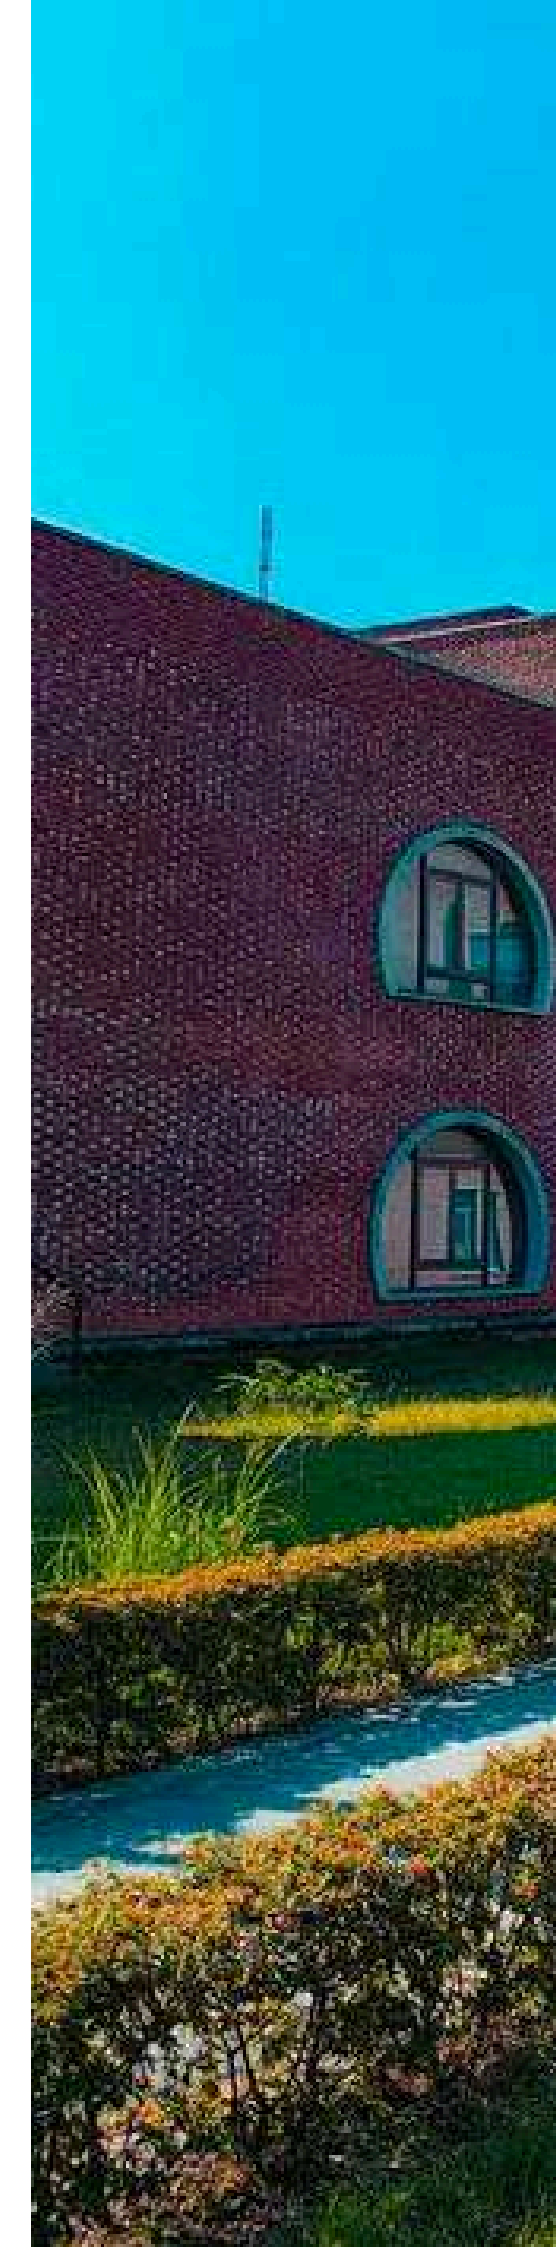

Campus Excellence:

- 200-acre campus nestled in lush green surroundings, just 25 km from Jim Corbett National Park.
- Smart learning spaces with world-class classrooms, high-definition AV systems and dedicated amphitheatres for an engaging learning experience.
- Sustainable campus infrastructure featuring radiant cooling, rooftop solar systems and green initiatives.
- Holistic student facilities including a multi-storey library, student-run mess, cafeterias, gymnasium, playgrounds and open recreational spaces.
- Industry-connected learning environment, with the campus situated in a major industrial region supporting regular industry interactions and live projects.

Library and Resources:

- State-of-the-art hybrid library with advanced digital technologies and modern information services.
- Seamless access to premium online databases, journals, and e-library resources through the Institute network.
- Real-time access to library resources and digital research materials from anywhere on campus.
- Collection of 12,309 printed books and 6,703 e-books, predominantly related to management and allied disciplines.

BEYOND THE CLASSROOM

Global Engagement:

The Institute maintains academic partnerships with leading international universities including institutions in Denmark, Greece, France, Israel, Peru, South Korea, Sweden, Taiwan, the United Kingdom, Vietnam, and Thailand. These collaborations support student exchange, academic cooperation, and cross-cultural learning.

Accreditation:

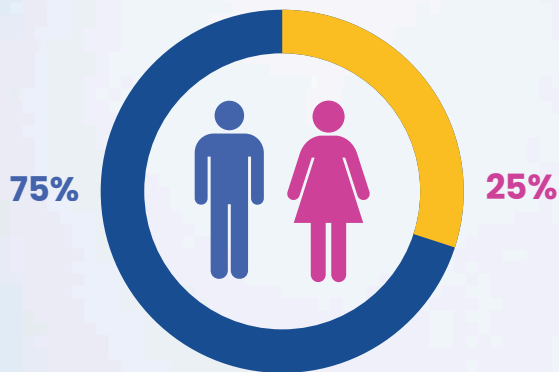

IIM Kashipur is a member of the Association to Advance Collegiate Schools of Business (AACSB) reflecting its commitment to global quality benchmarks in management education.

Alumni Network:

IIM Kashipur's growing alumni network comprises management professionals working across diverse industries and geographies. Alumni actively contribute to the Institute through mentorship, live projects, internships, recruitment, and institutional development initiatives. The Institute values its lifelong relationship with its graduates as an integral component of its academic community.

PLACEMENTS AT IIM KASHIPUR

IIM Kashipur has a stellar track record of securing exceptional placements for its graduates. Our students from the previous batches have consistently landed coveted positions with renowned organizations in India and abroad. This success is a testament to our commitment to providing a world-class management education that equips you with the skills and knowledge to thrive in the competitive job market.

The two-year flagship Master of Business Administration and the Master of Business Administration (Analytics) programs go beyond traditional classroom learning. We employ a unique andragogical approach, specifically designed for adult learners, that emphasizes practical application and real-world scenarios. Our dedicated faculty fosters the development of critical managerial skills, strong leadership qualities, and in-depth functional competencies through a carefully curated curriculum and innovative pedagogy.

Understanding the importance of industry exposure, IIM Kashipur actively fosters strong industry-institute collaboration. We believe in building mutually beneficial relationships with leading organizations like yours. These collaborations take various forms, including guest lectures, industry seminars, and other interactive learning activities. We are confident that our students are a perfect fit for your esteemed organization. This talented and enthusiastic pool of graduates is ready to make a significant contribution to your workplace.

We invite you to participate in our summer and final placement season, commencing in September 2026. We encourage you to explore our placement brochure and student profiles for the 2026-2028 batch (summer internships) and the 2025-2027 batch (final placements) to gain a deeper understanding of the exceptional talent pool that awaits you at IIM Kashipur

For your reference, we have included a detailed placement calendar outlining the key events:

MBA & MBAA	Summer Internships	Final Placements
Pre-placement presentations by companies	August - September	August - September

THE IIM KASHIPUR CENTRE OF EXCELLENCE

Our CoEs offer a unique advantage to students, faculty, and industry partners alike. Students gain exposure to cutting-edge research projects, interdisciplinary collaboration, and the opportunity to contribute to solutions with real-world impact. Faculty members benefit from a stimulating environment that encourages intellectual exchange and fosters groundbreaking research. Industry partners have the opportunity to collaborate with our CoEs on projects that address their specific needs and benefit from the expertise of our faculty teams.

By fostering innovation, collaboration, and knowledge exchange, IIM Kashipur's Centers of Excellence are at the forefront of tackling complex challenges and driving positive change. IIM Kashipur fosters a culture of innovation through three Centres of Excellence (CoEs) that serve as hubs for interdisciplinary research, collaboration, and knowledge exchange. These centres bring together faculty expertise to tackle real-world challenges:

- Design Innovation Centre (DIC) – NAVAASHAY
- Centre of Excellence in Public Policy and Government (CoEPPG)
- Foundation for Innovation & Entrepreneurship Development (FIED)

Student Testimonial

MBA

Ashwin Murali (PGP 2013-15)

I owe a large part of what I am today to IIM Kashipur, its incredible faculty and the whole ecosystem of the institute. It shaped me, taught me numerous things and provided me with a network that I cherish. Forever grateful and will forever be a proud alumnus of IIM Kashipur.

Davinder Yadav (PGP 2014-16)

The program pedagogy offered by IIM Kashipur aligns with the best industry standards, enabling me to enhance my understanding of the global landscape across various categories. The program not only provides theoretical knowledge but also offers real-life experiences through managing committees, clubs, and social initiatives. These experiences have been invaluable in shaping my understanding of leadership, teamwork, and problem-solving.

Anubhav Mukherjee (PGP 2015-17)

My 2-year journey at IIM Kashipur was more than just education; it was a personal transformation. Inside and outside the classroom, I learned invaluable lessons that shaped my career and who I am today. This experience was a true cornerstone in my professional and personal growth.

Roop Pratim Datta (PGP 2016-18)

IIM Kashipur is a pillar in my life. It has built me up to what I am today. I shall forever remain grateful to the institution for bestowing me with amazing professors and even more amazing friends, who I cherish to this day. I have completed one lap from being in the classrooms as a student, to being a guest lecturer. It has been a fulfilling form of giving back to my alma mater. And I intend to give back as long as I can, and carry the banner of the institution, far and wide.

Kashi Venkatesh (PGP 2017-19)

IIM Kashipur will always be my home. The value it offers is beyond the excellent academic curriculum. The culture on the campus, the freedom, and the learning it gives are definitely a worthwhile experience. How can I not mention the excellent faculty. The memories of the campus are still fresh and will be there for a lifetime.

Vishvendera Singh Tomar (PGP 2018-20)

IIM Kashipur's MBA Program is one of the finest programs, designed to address needs of current business landscape and curated by dedicated and world class faculty members. The networking opportunities and practical learning prepared me for success, shaping my career trajectory positively.

**Kaipa Guru Charan Reddy (MBA 2019-21)**

Well structured MBA Programme that focus on the core aspects of business management while also giving the students freedom to explore and pursue their interests through multiple electives. IIM Kashipur provides an enriching experience on its campus with great infrastructure and best-in-class faculty.

**Ankur Tulsyan -(PGP 2020-22)**

My experience at IIM Kashipur has been life-changing. Beyond academic learning, it has endowed me with abilities and assurance to excel in the ever-evolving business sphere. The tranquil campus and excellent facilities fostered an optimal atmosphere for development. The demanding curriculum, alongside a supportive environment, effectively readied me for professional challenges.

**Tanishq Jaiswal (PGP 2021-23)**

I found IIM Kashipur an amazing platform for one's self development. The institution provides a rich curriculum, some amazing professors and peers from across India to interact and learn from. The student-run activities culture is one of the best across IIMs. A proud alumnus, will always be grateful to the institute

**Saloni Singhal - MBAA 2021-23**

MBA in Business Analytics is a multidisciplinary course that includes training in both technical skills, business fundamentals, and management practices. In a course with the core base as Analytics and added topping of research skills via dissertation component, IIM Kashipur has a meticulously reverse engineered curriculum based on industry needs and trends that makes us an asset for any organization we venture out!

**Satyajeet Bhoite (MBA 2023-25)**

My journey at IIM Kashipur was pivotal in shaping my business acumen, exposing me to diverse domains and letting me apply that knowledge through case competitions and studies. The institute's support extended seamlessly into placements, GD/PI preparation, domain discussions, and pre-placement talks built strong awareness about organizations beforehand. This thoughtful, well-coordinated process sharpened my skills and helped me secure a great role.

**Anirudh Baliyan MBA(2024-26)**

IIM Kashipur has been instrumental in shaping my professional journey. Its rigorous academic curriculum, industry-focused learning, and collaborative culture helped me develop a strategic mindset and strong problem-solving abilities. The institute provided exceptional exposure and opportunities that enabled me to secure a role at Accenture, laying a strong foundation for my career.

**Sahil Panda (MBA 2023-25)**

My experience at IIM Kashipur was truly transformative. Pursuing a major in Operations with minors in Finance, Marketing, and IT broadened my business perspective and strengthened my problem-solving abilities. The institute's structured placement process, mentorship, and interview support were instrumental in helping me secure a Product Manager role at Axis Bank, preparing me for a successful professional journey.

**Jyotirmoy Ray (PGP 2018-20)**

My time at IIM Kashipur was nothing short of transformative. The rigorous academic environment, coupled with industry exposure, not only enriched my knowledge but also honed my leadership skills. IIM Kashipur's transformative experience played a pivotal role in shaping my career, equipping me with the tools to excel in the dynamic business landscape. Grateful for the invaluable lessons and lifelong connections forged at this esteemed institution.

**Sangeeta Agarwal (MBA 2019-21)**

My tenure at IIM Kashipur has been an extraordinary journey, marked by top-notch academics, engaging industry competitions, and the fulfilling responsibility of event organisation. These experiences have provided me unparalleled opportunities for personal and professional growth. Consequently, my interpersonal skills have flourished, making this chapter of my life exceptionally rewarding.

**Srinath Reddy Addugala (PGP 2015-17)**

IIM Kashipur has been the greatest experience of my life. I can say subjectively, the knowledge gained in the two years of the program is equivalent to the knowledge gained in the rest of my life. Whenever I think of IIM Kashipur, my memory is filled with fond memories of intellectual discussions in the classroom and in the evening strolls with friends. They were truly the best days of my life

**Bhawna Malhotra (MBAA 2021-23)**

This program has been crucial in facilitating my transition from a software engineer to a product manager. The skills and technologies covered in the curriculum continue to be invaluable in my current role, empowering my team to make data-driven decisions using the insights I contribute. The knowledge gained has not only shaped my career trajectory but also enhanced my ability to drive effective strategies in my professional endeavours.

**Sanchet Arhum Anand (MBA 2019-21)**

The MBA Program is designed with a clear vision to make the students industry-ready and when such a program is aided by IIM Kashipur's excellent faculties and state-of-the-art infrastructure, a student is destined for success in the corporate world.

Discover Kashipur:

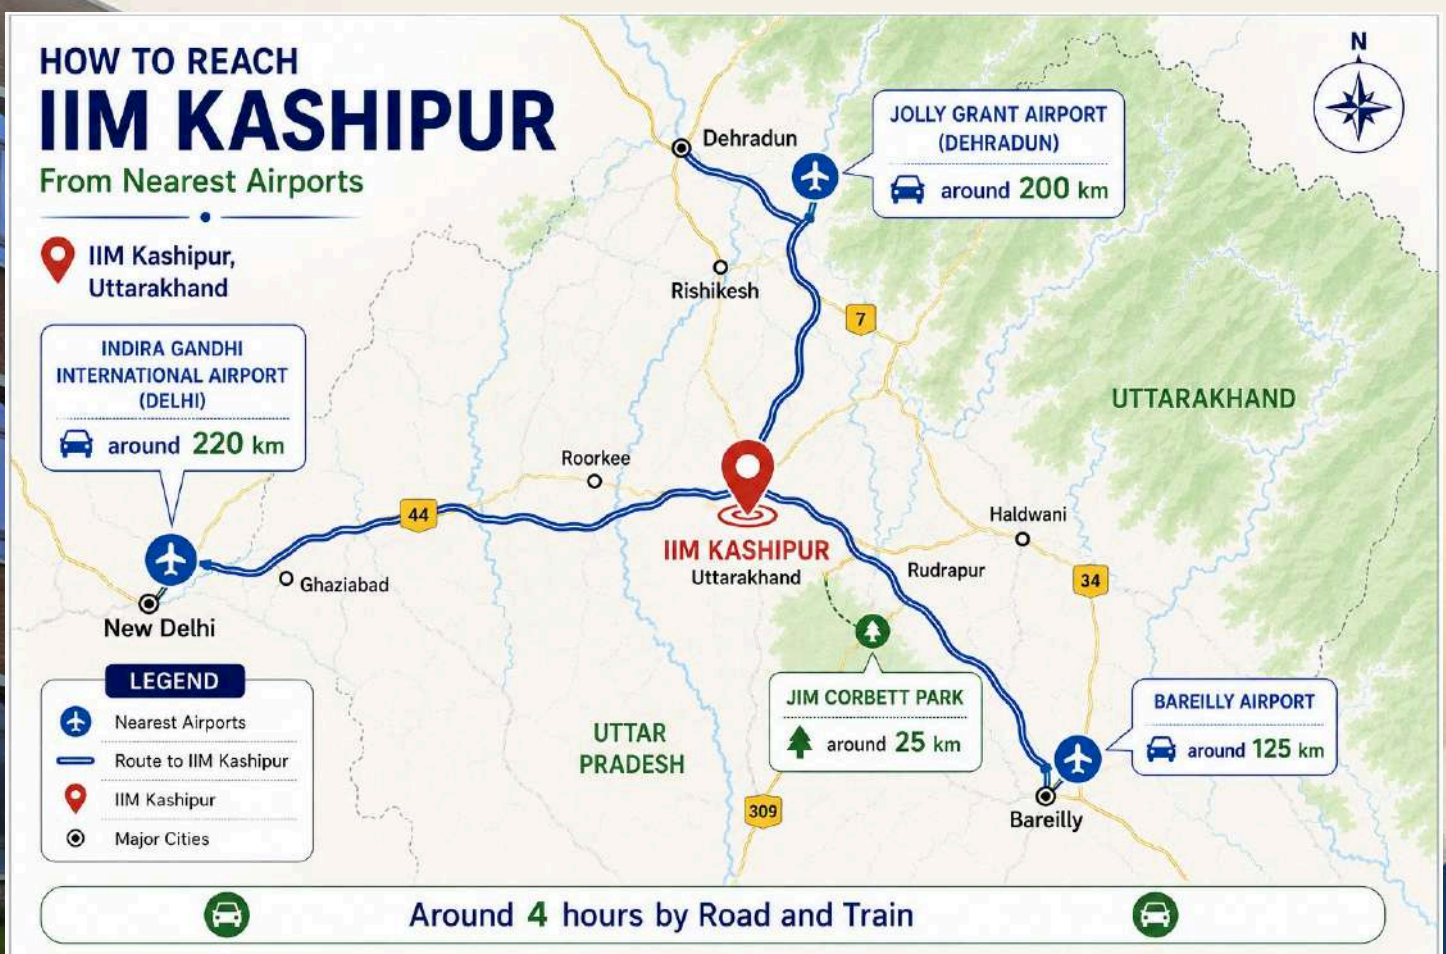

Where Nature and Adventure Converge

Nestled in the southern Uttarakhand region, Kashipur boasts a breathtaking backdrop of the mighty Himalayan foothills. In winter, the snow-clad peaks create a picturesque panorama, while nearby attractions like Jim Corbett National Park and Nainital beckon for exploration.

Kashipur's natural abundance is evident at every turn. Sudden showers rejuvenate the air and surrounding greenery, painting the landscape in vibrant hues. With negligible pollution, the skies remain crystal clear during the day, revealing a blanket of stars at night. For nature enthusiasts, photography aficionados, and trekking lovers, Kashipur is an inviting haven. Escape the urban hustle and experience the synergy of life in this serene paradise.

How to Reach Kashipur

Approximately 220 km east of Delhi, Kashipur enjoys convenient road and rail connectivity to major cities. From Delhi, follow NH-24 to Moradabad, and then continue for 50 km to reach Kashipur. IIM Kashipur is situated in the vicinity of the proposed SIDCUL Kashipur, approximately 8 km from the Kashipur railway station.
